Dear Clerk,

I will like to file a Complaint in you all Court and will need Complaint forms, fee Waivers, and Motions for the following Reasons. I Can't get justice like I want to in the states District of Columbia, Maryland, and Virginia. The Superior Court in dc Wouldn't let me file any of my Serious Complaints that I want to but pick and choose what I file. Stopping me from telling and getting the relief that I am entitled to. The FBI in dc, Senator kerry along with a white Woman, and face book gave me full blown Aids in 2015 which means I only have 2 yrs to live.

I was murdered by the DMV government, District of Columbia, Maryland, Virginia. I just want justice for all my cases and my health. The DMV Area put the Crooked Conspiracy Camera on me to kill me, including the United States of America and put Police on me. I'm not a Criminal. The United States have been trying to kill me in my food where ever I go so I Wouldn't tell on them. It's a long story. Please let me file a lawsuit there.
